

Would you like an easy, simple and fast way to stay connected to us? Now you can receive news updates, special offers and more through the new *Center for Manifestation* toolbar.

- **Never miss breaking news from us again.** The scrollbar will bring you the latest news, ministry info and special offers.
- **Instant access to the *Manifesting Sons*®** television and radio broadcasts. One click on the toolbar brings you the website and the latest broadcasts.
- **Find what you want fast.** Search the web directly from your *Center for Manifestation* toolbar.
- **Help raise money for *Center for Manifestation*.** Every time you search the web using the Yahoo search engine on the toolbar and click on a sponsored link, you're raising money for the ministry. The best part? **You don't have to buy anything.**

How does the fundraising work? Companies pay to advertise on Yahoo through the sponsored links. Every time someone clicks on a sponsored link, the advertiser pays a small fee, and part of that small fee goes to *Center for Manifestation*.

You can [download the Center for Manifestation toolbar](#) completely free for Internet Explorer or Firefox. Step-by-step instructions included.
