

Scriptural Basis for Establishment:

Acts 16:4 And as they went through the cities, they delivered them the decrees for to keep, that were ordained of the apostles and elders which were at Jerusalem. Acts 16:5 And so were the churches established in the faith, and increased in number daily.

Vision Statement

It is the mission of "FBCM" to assist pastors in the strengthening and development of their churches. FBCM will also assist in the development of ministries that are not necessarily local churches in the traditional context, but which do serve for the advancement of kingdom purpose.

The 3 Standards of Existence

Economic advice and empowerment
Leadership training and mentoring
Accountability and covering

Our Standards of Existence:

Economic Empowerment

FBCM will employ the resources available through its partnership to assist covenant partners with:

1. Real estate purchases for the advancement of kingdom purpose.
2. Biblically based financial advice and workshops as needed.
3. Seminars on the corporate development of ministries.
4. The establishment of tools and accounting programs for the management of kingdom resources.
5. Partners that tithe into Manifestations FBCM will receive the above mentioned services without fee. Those partners who choose not to tithe into Manifestations FBCM will be required to pay all cost associated with providing before mentioned services. [i.e....workshop expense, etc.]

Note: No partner is obligated to tithe to FBCM.

Leadership Training and Mentoring

FBCM is committed to the development of the leadership of our partners, and we will provide through this partnership [as needed]

1. Workshops for the establishment of kingdom purpose.
2. Seminars to develop ministry leaders.
3. Personal & private training and biblically-based counseling.

Accountability and Covering

Understanding that accountabilities are in place to help discerning people remain honest and equitable, and to exercise sound judgment in the affairs of life and ministry, FBCM will serve as a covering, and accountability partner for all covenant ministries.

1. FBCM will require that all associated partners exemplify in character and conduct, behavior that is in line with bible principle.
2. FBCM will provide ministry licensing, ordination services, and special appointments, as required by leaders of ministry partners in the establishment and development of partner organizations.
3. FBCM will confront any moral issues that arise in partner ministry leadership, using the biblical mode of judgment of such matters.
4. Letters of release, acknowledgments of partnership, and other endorsements of partners will be provided at the request of partner ministry's senior leader.

Word of Renewal

It is my belief that Manifestations FBCM is a ministry of "Apostolic Renewal". I believe that God, the Father has purposed in the end-times that spiritual fathers who operate in the 5 fold ministry model of church development, would rise, once again, to a place of prominence for the advancement of kingdom work. I am convinced that the validation of this reorganization of kingdom resources is the selfless compassion of Jesus Christ being demonstrated by those who walk with us in the true essence of this fellowship of kingdom ministries.
